ABOUT THE CONFERENCES

Leadership Conference
Friday 8:30 am — 4 pm

Registration for Leadership Conference begins at 8:00 a.m. For those registering for both conferences you will not need to register again for the Parenting Conference.

Leadership Training is designed to equip current and potential leaders to lead the discipleship classes of Growing Families Int'l.

Workshops will be led by seasoned leaders teaching the 5 Basic Certification sessions for *"Growing Kids God's Way"* as well as the specialized sessions for being certified as *"Preparation for Parenting"* leaders and Contact Mom's through Christian Family Heritage.

For new and potential leaders, workshops will be offered which will acquaint you with the various GFI curricula, describe GFI's discipleship format, and outline the best steps for starting a parenting ministry in your church and community. Advanced workshops will be offered for experienced leaders wanting to continue their skills in discipling families. The conference ends with a question and answer time with Gary & Anne Marie Ezzo that is just for leaders.

There will be a Conference Bookstore with GFI materials and other recommended resources that may be purchased at this conference.

"Parenting and the Life/Death Principle"
Friday 7 pm — 9 pm

Registration for those attending the Parenting Conference will begin at 6:00 pm on Friday.

There were two trees found in the Garden of Eden. One tree that led unto life and one tree that led unto death. Both trees represent parenting styles in practice today. How do you know if you are sowing seeds of death to your children or seeds of life? In this session Gary Ezzo will focus on the marks of the fruit of life or the fruit of death in parenting.

"It's All About Attitude"
Saturday 8:45 am — 12:45 pm

- ➜ Are you wondering if your child heard you?
- ➜ Does your child roll his eyes at you when you ask him to do something?
- ➜ Are your teens tuning you out?

The transition for children from the preschool years to the elementary school years can be described in one word – Attitude! Parents will get specific practical suggestions on how to proactively work on their child's heart which will change their attitude. Practical suggestions will be given on how to adjust a teen's "bad attitude".
